

Road Closures For Ride London

This weekend (3rd-4th August) there will be extensive road closures around London for the Prudential Ride London cycling event. As a result, we may be unable to reach you with second deliveries on Saturday.

Please do your utmost to place everything on your first order, so you are not disappointed.

Please double check your orders before placing them with our team and get them to us as early as possible. We will endeavour to meet your orders as best as we can.

If you have any questions, please give us a call on 0207 498 0550.
